## Preauthorized Electronic Assessment Payment Services

### What:

**CFM, INC.** Through Community Association Banc, a division of Mutual of Omaha Bank offers association homeowners an opportunity to pay amounts owed to their homeowners association using automated electronic payments. Preauthorized electronic payments mean that homeowners can pay their assessments automatically without writing checks, thus eliminating the potential for late payments. In addition, the association is assured prompt, predictable payments to help better manage funds. This program is available to all homeowners regardless of where they bank.

### How:

The preauthorized electronic assessment payment service uses the Federal Reserve System's Automated Clearing House (ACH) to facilitate electronic transfers from homeowner checking/savings accounts directly into the association's bank account. Funds are transferred between the 10<sup>th</sup> and 13<sup>th</sup> day of the month and appear on the homeowner's bank statement each month. Information regarding payments is reported to the association's management or bookkeeping company on the same day funds are deposited to the association's account.

Please refer to your monthly billing statement for assessment billings and balances owed. If you have questions or need further information, please call our Homeowners Association experts at (925) 566-6800
